

January - April 2026 Public Programs

- Monday, January 5 **Seedling Sale Kick Off** While we may be in the traditionally coldest and snowiest days of winter, it's time to think Spring! Our annual seedling sale, sponsored by Kaukauna Utilities, is open for orders now through April 1st (or while available quantities last). Visit our website or stop by the Nature Center for information and an order form. Seedling distribution is scheduled for April 24-25, 2026.
- Friday, January 9 **1000 Little Wonders – Class Theme: Eagles** (9:30 AM – 10:30 AM) This class is for children 3-5 years old and their parent/guardian. Listen to the book ***Eagles*** by Amy McDonald, explore the outdoors, and make a themed craft. This program will be indoors and outdoors, so come dressed for the weather. ***Pre-registration is required, and class size is limited. FREE***
- Saturday, January 10 **Bird Feeder Clinic** (11:00 AM – 12:00 PM) Join us for a fun and hands-on bird feeder clinic! Using upcycled containers (coffee mugs, teacups, candle holders, decorative glasses, etc.) we will create unique feeders to help our bird friends find nutrition in the winter landscape. Once your birdhouse is complete, take it home to hang outside. Bring your own item to upcycle or choose one of those provided. We will also have materials for kids to make pinecone feeders! Birdseed/suet mix and string for hanging provided. ***Registration is required, and group size is limited. FREE (Donations Appreciated)***
- Saturday, January 10 **Great Backyard Bird Count Kick-Off** (11:00 AM – 12:00 PM) Get ready for the Great Backyard Bird Count! Learn tips & tricks to identify backyard birds to help you have a successful bird count on February 13th through the 16th. Information and assistance will also be available about the e-bird app, where you can report your findings for the bird count. For more information about the Great Backyard Bird Count, visit www.birdcount.org ***FREE***
- Sunday, January 11 **Friends of 1000 Islands Annual Meeting** (1:00 PM – 3:00 PM) Join the Friends of 1000 Islands for their annual meeting. Learn more about the organization, membership and benefits, and how you can get involved in supporting the mission of 1000 Islands! Our Naturalist will also give a brief presentation about what is currently happening in the Conservancy Zone as well as future plans and projects. Light refreshments will be served. Join or renew your existing membership at the meeting to be entered into a prize drawing!

- Tuesday, January 13 **Junior Naturalist Program** (4:00 PM – 5:15 PM) Our Junior Naturalist program is here to turn middle schoolers into wilderness experts. Learn to navigate the wild, identify plants and wildlife, and so much more! Once they have mastered these skills, students will have the chance to become teachers themselves, sharing their knowledge and experiences with their peers. This hands-on approach not only reinforces their learning but also boosts their confidence and leadership skills. *Grades 5-8 Pre-registration is required, and class size is limited. FREE*
- Wednesday, January 14 **Grounded and Resilient: Moving Meditation in Nature with Becky McMorrow**
This program is a transformative experience that blends ancient practices and modern awareness to cultivate resilience, calm and embodied presence.
